Civil No. 99-4771-12 LWC filed in the Circuit Court of the First Circuit, State of Hawaii

(hereinafter “*Kalima*”), seeking approval of the accounting for the Kalima Class Action Settlement Trust dated June 23, 2023 (hereinafter “the Trust”), for the period of January 1, 2025 through and including December 31, 2025, as follows:

I. INTRODUCTION

1. This petition is made pursuant to section §§554D-201 through 203 Hawaii Revised Statutes (“HRS”), which provides this Court with jurisdiction over proceedings initiated by trustees and interested persons concerning the internal affairs of trusts, including, *inter alia*, those concerning the administration and distribution of trusts, the declaration of rights and the determination of other matters involving trustees and beneficiaries of trusts, and Hawaii Probate Rules 3, 25, 26, 28 and 126(d).

2. Venue is proper pursuant to HRS §554D-204 as the Trust could have properly been registered in this judicial circuit and/or venue is otherwise proper as provided by the Hawaii Rules of Civil Procedure.

3. The Kalima Class Action Settlement Trust was executed on June 23, 2023. A true and correct copy is attached as Exhibit “A”. The holdings of the Trust consist of the settlement proceeds approved in *Kalima*. The general operation of the Trust is to identify and deliver settlement proceeds to the living class members and the proper heirs and devisees of deceased class members.

4. Sylvius H. Von Saucken, General Manager – Mass Torts, EPIQ Class Action & Claims Solutions, Inc., is the Trustee of the Kalima Class Action Settlement Trust (hereinafter the “Trustee”). The Trustee’s address is 10300 SW Allen Blvd., Beaverton, Oregon 97005.

5. The Trust directs distribution through termination of the Qualified Settlement Fund for the heirs and devisees of the deceased Class Members, as set forth in Paragraph 1-5.1(B) of the Trust.

6. The Trustee is in the process of administrating the Trust assets.

7. This Petition is intended to enable this Honorable Court to review the accounting of the Trustee's administration of the Trust, and requests that this Court enter an order:

A. Approving the Trustee's Accounting for the period from January 1, 2025, through and including December 31, 2025, submitted herein; and

B. Approving Trustee's reasonable fiduciary fees and costs;

C. Approving Special Master's fees and costs;

D. Approving Probate Special Counsel's general probate fees and costs;

E. Approving Probate Special Master's general probate fees and costs; and

F. Approving Claims Administrator's general probate fees and costs.

II. SUMMARY OF FACTS

8. The Trust administration began when the Trust was funded with the proceeds of the Class Action settlement in *Kalima*.

9. Pursuant to Hawaii Probate Rule 25, the Trustee has presented the accounting of the administration of the Trust for the period of January 1, 2025, through and including December 31, 2025 to Petitioner as the Probate Special Master herein. The Trustee is unable to obtain approvals by all individual interested persons because many of the beneficiaries of the Trust have not yet been identified and the beneficiaries whose interests have been previously adjudicated by this Honorable Court are so numerous that obtaining their direct approvals would

require cost-prohibitive efforts that are not in the best interest of the on-going administration of the Trust.

10. Petitioner has reviewed the accounting that the Trustee has prepared and believes that all necessary aspects of the administration are in the process of being completed at this time. In particular, Petitioner is informed that the Trustee is currently addressing the tax liabilities with the assistance of a Certified Public Accountant and will fully satisfy any and all tax obligations of the Trust.

III. ACCOUNTING

11. The Trustee has presented the accounting to Petitioner for the period of January 1, 2025, through and including December 31, 2025. The accounting, which is attached as Exhibit “B” consists of the following for the period of January 1, 2025, through and including December 31, 2025: Schedule A – Summary of Checking; Schedule B – Summary of Deceased Class Members’ funds; Schedule C – Demand Deposit Account (“DDA”) Activity; Schedule D – IntraFl Cash Service (“ICS”); Schedule E – Deceased Class Members’ Heir payments.

12. The Trustee is authorized by statute to employ attorneys to perform any act of administration, and to prosecute proceedings for the protection of the trust assets and of the trustee in the performance of trustee duties. HRS §554A(c)(23) and (24). Upon this basis, Trustee requests that the Court approve the attorney’s fees and costs of Special Master Michael Broderick, Probate Special Counsel Scott Suzuki, Esq., Probate Special Master Emily H. Kawashima, AAL, LLLC, and Epiq Claims Administrator Robert Coomes, and Trustee Sylvius von Saucken in an amount to be supported by a Declaration in Support of Fees and Costs to be filed herein.

13. Petitioner has reviewed the accounting pursuant to Hawaii Probate Rule 25, as Probate Special Master and accordingly, respectfully requests that the Court approve the Accounts as attached as Exhibit “B.”

VI. NOTICE

14. WHEREFORE, Petitioner requests this Court order that:

- A. A date, time and place of hearing on this Petition be set;
- B. All jurisdictional requirements have been met; that venue is proper; that as far as known, all persons necessary to an adjudication of this matter are parties hereto and are bound by all orders arising from this Petition; and that there is no need to appoint a guardian ad litem to represent the interests of unknown or unascertained contingent remainder beneficiaries;
- C. Approve, allow and settle the interim accounting of the Trustee for the period of January 1, 2025, through and including December 31, 2025, inclusive, attached in Exhibit “B,” including the proposed Trustee’s, Special Master’s, Probate Special Counsel’s, Probate Special Counsel’s and claims administrator’s fees and costs as set forth in the Declarations attached hereto;

EXHIBIT "A"

KALIMA CLASS ACTION SETTLEMENT TRUST

THIS TRUST AGREEMENT is established this date of June 23, 2023, by order of the Circuit Court of the First Circuit, State of Hawaii, pursuant to its FIRST AMENDED JOINT ORDER APPROVING PROBATE PLAN AND QUALIFIED SETTLEMENT TRUST entered in *Kalima et al. v. State of Hawaii et al.*, (Civil No. 99-4771-12 LWC) on or about June 23, 2023, which Order is hereby incorporated by reference and attached hereto as Schedule B and referred to herein as the "Order". The initial Trustee is SYLVIUS H. VON SAUCKEN, GENERAL MANAGER – MASS TORTS, EPIQ CLASS ACTION & CLAIMS SOLUTIONS, INC. (hereinafter referred to as the "Trustee"). By said Order, the initial Trust corpus shall consist of the property described in Schedule A. The Trustee accepts such property as the initial trust estate. The Trustee shall hold and dispose of the trust estate upon the terms of the trust set forth in this Agreement.

This trust is made of three parts and Schedules A and B. PART ONE disposes of the trust estate. PART TWO relates to the trusteeship and the powers for the Trustee. PART THREE contains definitions and other formal provisions.

PART ONE: DISPOSITION OF TRUST ESTATE

ARTICLE 1-1: NAME AND PURPOSE OF TRUST

1-1.1 NAME: This trust shall be known as the KALIMA CLASS ACTION SETTLEMENT TRUST (the "Trust")

1-1.2 PURPOSE: In addition to the other purposes more specifically defined herein, the purpose of this trust is to establish and govern the administration of a Qualified Settlement Fund as described in Treasury Regulation Section 1.468B-1 and the Order.

Kalima et al. v. State of Hawaii et al., (Civil No. 99-4771-12 LWC) (sometimes referred to herein as the "Civil Matter") is a civil matter filed in the Circuit Court of the First Circuit State of Hawaii. The Civil Matter was filed in 1999 when the State of Hawaii eliminated the Hawaiian Claims Office that reviewed breaches of trust by the State of Hawaii regarding the Hawaiian Home Lands Trust that occurred between 1959 and 1988.

The Civil Matter is a class action lawsuit. The plaintiffs are members of a defined Settlement Class (sometimes referred to herein as the "Class Members"). The Class Members are beneficiaries of this Trust, as more specifically detailed herein.

The Defendants in the Civil Matter are the State of Hawaii, and others (sometimes collectively referred to herein as the "Defendant"). Claims against Defendant were extinguished upon execution of a settlement agreement. Settlement funds pursuant to the settlement agreement were transferred to this Trust to permit the release of all claims as to the Defendant and to authorize the Trustee to resolve other issues regarding settlement funds as to the Plaintiff and other entities claiming an interest in the trust assets to be deposited into the KALIMA CLASS ACTION SETTLEMENT TRUST. The Trustee shall administer all funds of the Trust in accordance with the provisions set forth herein and as required by the Order, and as otherwise ordered by a court.

Specific purposes of this Trust include, but are not limited to, (i) the proper financial management of settlement proceeds, (ii) determining the true beneficiaries and parties entitled to settlement proceeds, (iii) and appropriately distributing to the true beneficiaries the correct amounts of settlement proceeds to which such true beneficiaries are entitled.

ARTICLE 1-2: TRUST BENEFICIARIES

1-2.1 TRUST BENEFICIARIES: The Beneficiaries of the Trust are those parties who have a valid claim and/or interest in the proceeds of the settlement funds derived from the Civil Matter, including parties who are entitled to the estates of deceased Class Members. The Trustee shall distribute Trust assets to or for the benefit of the Beneficiaries pursuant to the terms of this Trust and appropriate orders of a court. No settlement funds or Trust assets shall be set apart for or distributed to any Class Member or any other individual or entity claiming an interest in Trust assets except as ordered by a court. Neither Class Member, nor any other individual or entity claiming an interest in Trust assets shall have access to the Trust assets, and may not draw upon or otherwise control any of the assets of this Trust. The Trustee shall take all such actions as shall be necessary or advisable to resolve creditor claims, expenses related to the Civil Matter, including but not limited establishing an administrative fee reserve, the payment of attorney fees, consultant fees, costs, taxes, and any statutory claims of subrogation. Once the Trustee has been presented with an appropriate court order that resolves all interests of all parties claiming an interest in the Trust, the Trustee shall have the authority to wind down and terminate the Trust without further court approval.

1-2.2 RESTRICTIONS ON BENEFICIAL INTERESTS: No Beneficiary shall have any authority to process any rights to demand or receive any portion of the Trust assets or to mortgage, pledge, or encumber the same in any manner. To the extent possible, no Beneficiary shall be deemed to have been in constructive receipt, as determined under federal income tax principles, of any amounts held by the Trust prior to the distribution from the trust to the Beneficiary.

ARTICLE 1-3: TRUSTEE'S BASIC DUTIES

During the term of this trust, the Trustee shall hold, manage, invest, and reinvest the trust estate, collect the income and profits from it, pay the necessary expenses of trust administration, and distribute the net income and principal as provided in this PART ONE and the Order. All decisions regarding distributions from this Trust shall be made at the sole and absolute discretion of the Trustee, acting exclusively in the capacity as Trustee and not as an agent of any Beneficiary.

ARTICLE 1-4: ADMINISTRATION OF THE QUALIFIED SETTLEMENT FUND

1-4.1 TOTAL SETTLEMENT PROCEEDS: Pursuant to the ORDER GRANTING PETITION TO ESTABLISH A QUALIFIED SETTLEMENT FUND, the total settlement proceeds are the sole property of this Trust. No portion of the total settlement proceeds shall be made available to any beneficiary or any other individual or entity claiming any interest in the settlement funds absent a valid court order. The purpose of the Trust is limited to the matters set forth in Article 1-1.2 hereinabove. The Trust shall not be construed to confer upon a Trustee any authority to carry on any business or activity for profit (except the holding and investment of the Trust assets and distributions pursuant to this Trust Agreement).

Upon receipt of the total settlement proceeds, the Trustee shall hold and administer the Trust estate prudently. The beneficial interests of each Beneficiary shall be calculated in accordance with the court orders in the Civil Matter. The Trustee shall have no duty to segregate the beneficial interests by the respective Class Member, but may pool all Trust assets, including Total Settlement Proceeds, for managerial and administrative purposes. Distributions of beneficial interest of the Trust estate shall be governed in accordance with the provisions set forth in Article 1-5.

1-4.2 DURATION: The Trust shall remain in operation and effect until all matters relating to the Civil Matter have been fully resolved, including but not limited to the payment of attorney fees and costs, and administrative expenses. Upon full resolution, the Trust shall terminate in accordance with an appropriate Court Order.

1-4.3 TRUST ADMINISTRATION: For the duration of the administration of the Trust, the Trustee shall have the full authority and power to administer the Trust as consistent with law.

1-4.3 INDEMNIFICATION: The Trustee shall be indemnified and held harmless by Class Members, their successors and their estates, from any claims made by any alleged lienholder, or other person or entity that attempts to assert a right of payment, reimbursement or garnishment against this Trust. Should the Trustee be named as a party to, or threatened to be made a party to, any threatened pending or completed action, suit or proceeding of any kind, whether civil, administrative or arbitrators, and whether brought by or against or otherwise involving the Trust, the Trustee shall be indemnified and held harmless by the Class Members, their successors and their Estates against reasonable expenses, costs and fees (including attorney fees), judgments, awards, costs, amounts paid in settlement, and liabilities of all kinds incurred by the Trustee in connection with or resulting from such actual or threatened action, suit or proceeding; except to the extent that it is finally determined by a court of competent jurisdiction that the Trustee was negligent or acted with willful misconduct in connection with the administration of this Trust.

1-4.4 INVESTMENTS: During the administration of this Trust, the Trustee shall be authorized to deposit and invest any and all funds as the Trustee shall deem to be appropriate and prudent under the circumstances. Any income, interest, dividends, or other increase to the value of the funds shall be retained in the Trust until final distribution and shall be apportioned among all of

the undistributed shares of the Trust as of the date the receipt of the same, unless otherwise provided by court order.

The Trustee may, in the Trustee's sole and absolute discretion, purchase and assign any structured settlements created under any court order or Fund Agreement, provided that any structured settlement annuities shall be issued by a life insurance company that is rated A+ or better by A.M. Best Company. The Trustee may also distribute to, and establish, appropriate trusts, separate and apart from this Trust, for the benefit of any beneficiary, pursuant to any court order. Examples of appropriate trusts may include, but not be limited to "special needs trusts" or "settlement preservation trusts" for beneficiaries who may then be eligible for means-tested public benefits or who may need additional assistance with financial management.

1-4.5 ADMINISTRATIVE DISBURSEMENTS: The Trustee shall be authorized to distribute all attorney fees and litigation expenses to counsel, consistent with existing contingency fee contracts and/or court orders approving fees prior, or subsequent to the establishment of this Trust. The Trustee shall obtain a court order to obligate the Trust to pay for legal fees and costs relating to the establishment of this Trust. The Trustee shall be authorized to pay all expenses incurred in the establishment and administration of this Trust, including, but not limited to, fees related to the preparation of this instrument, other trust-administrative documentation, trustee fees, accounting expenses, taxes, investment advisor expenses, fees and costs to any "Master" or other court-appointed position, and the fees of the Trustee. All taxes on the income of the Trust and expenses and costs incurred in connection with the taxation of the Fund (including, without limitation, the expenses of tax attorneys and accountants, for reasonable and ordinary services, for each year, incurred in preparing and filing of the Trust's annual income taxes) shall be (i) paid out of the Trust, (ii) considered to be a cost of administration of the settlement, and (iii) timely paid by the Trustee without prior order of the Court. All administrative disbursements made pursuant to this Article 1-4.5 shall be apportioned equally among the undistributed shares remaining in the Trust as of the time of the disbursement, unless otherwise provided by court order or Fund Agreement.

1-4.6 TAXES AND EXPENSES: The Trustee shall obtain a Federal Taxpayer Identification Number for this Trust. It is the intent of this Trust that all steps be taken by the Trustee and Beneficiaries to ensure that the Trust established by the Court will qualify as, and remain, a "Designated" or "Qualified" settlement fund within the meaning of IRC § 468B, and the Treasury Regulations promulgated pursuant thereto and codified at 26 C.F.R. §1.468B-1. The Trustee will elect to apply settlement fund rules, if appropriate, by filing a "Section 1.468B-5(b)(2) Election."

It is further intended that the transfers to the Trust will satisfy the "all events test" and the "economic performance" requirement of IRC § 461(h)(1), and Treas. Reg. § 1.461-1(a)(2).

All taxes on the income of this trust and expenses and costs incurred in connection with the taxation of this trust, including without limitation, the expenses of tax attorneys and accountants, for reasonable and ordinary services, shall be paid out of the trust, considered to be a cost of administration, and timely paid by the fund administrator without prior order of any court. All expenses incurred in the settlement of claims, including, but not limited to, fees related to the establishment of this agreement, the administration of this trust, accounting, investment, and other professional services related to the administration of this trust, may be paid by the trustee as

accrued. Both the taxes and expenses paid shall be apportioned equally among the undistributed shares remaining in the Trust as of the time of the payment, unless otherwise provided by court order or Fund Agreement.

1-4.7 ACCOUNTS AND REPORTS: Upon request, and at least once per calendar year, the Trustee will prepare and deliver an accounting or other report to the known “qualified beneficiaries” of the Trust, or to their respective known agents, representatives, and/or estate, as the circumstances may provide. Prior to termination of this Trust, the Trustee shall seek Court approval of a Final Accounting. These documents will be made available online at www.kalima-lawsuit.com.

1-4.8 RELIANCE: The Trustee shall have the right to rely upon any affidavit, government document, certificate, letter, notice, electronic mail or other documentation believed by the Trustee to be genuine and sufficient, and upon any other evidence believed by the Trustee, in its reasonable judgment, to be genuine and sufficient, which may be provided to the Trustee.

1-4.9 TERMINATION: Upon full resolution of all matters relating to the settlement of the Civil Matter, the Trust shall terminate and all of the rest, residue and remainder of the funds shall be administered in accordance with the provisions set forth in Article 1-5.

ARTICLE 1-5: DISTRIBUTION THROUGH TERMINATION OF THE QUALIFIED SETTLEMENT FUND

1-5.1 The Trustee shall distribute the net value of each separate share allocated to each Class Member as follows:

(A) SHARE FOR LIVING CLASS MEMBER: The Trustee shall distribute the share for each living Class Member outright and free of any trust to such living Class Member. If such living Class Member shall be incapacitated, the Trustee shall distribute such share to the duly appointed Conservator, Guardian of the Property/Estate, or duly designated agent under a power of attorney for such incapacitated Class Member. Upon receipt of the share by such Class Member, such Class Member’s interest in and to this Trust shall be considered fully satisfied and terminated.

(B) SHARE FOR DECEASED CLASS MEMBER: The Trustee shall administer the share of any deceased Class Member as follows:

(1) If the Estate of the deceased Class Member shall be the subject of an open probate proceeding, the Trustee shall distribute the share of the deceased Class Member to the duly appointed and currently acting Personal Representative (or similar person acting as legal representative of the decedent pursuant to state distribution and/or probate laws) of such deceased Class Member’s probate estate. Upon receipt of the share by such Personal Representative of such deceased Class Member’s estate, such deceased Class Member’s interest in and to this Trust shall be considered fully satisfied and terminated.

(2) If the Estate of the deceased Class Member has previously been subject to a probate proceeding, the Trustee shall distribute the share of such deceased Class Member

to the heirs/devisees in the proportions as adjudicated in such deceased Class Member's probate proceeding. Upon receipt by the heirs/devisees of such deceased Class Member's estate, such deceased Class Member's interest in and to this Trust shall be considered fully satisfied and terminated.

(3) If the Estate of the deceased Class Member has not previously been probated and is not currently subject to probate administration, the Trustee shall distribute the share of such deceased Class Member to the heirs/devisees of the deceased Class Member as established by clear and convincing evidence as ordered by the Probate Court, First Circuit, State of Hawaii, and following service of appropriate notice to the heirs and purported devisees. Should any of the heirs and/or purported devisees wish to contest the proposed distribution, the Trustee shall abstain from making the distribution until the heirs and purported devisees have fully resolved their differences and upon such resolution, the Trustee shall distribute said share in accordance with the agreement of such resolution. Upon receipt by such heirs/devisees of such deceased Class Member's estate, such deceased Class Member's interest in and to this Trust shall be considered fully satisfied and terminated.

(4) In the event that any distributee eligible to receive a distribution pursuant to Article 1-5.1(B)(1) through (3) hereinabove shall be (a) under the age of majority, (b) the subject of a current guardianship or conservatorship proceeding, and/or (c) eligible for means-tested public benefits including but not limited to Supplemental Security Income and/or Medicaid, the Trustee shall be authorized to complete the distribution to such distributee by making the distribution instead to the minor distributee's legal parent as custodian, or to an appropriate trust (or similar account) for the benefit of such distributee, and as ordered by the Probate Court of the First Circuit, State of Hawaii.

(5) In the event that an appropriate distributee cannot be located, and the Probate Court of the First Circuit, State of Hawaii, is satisfied that all reasonable means to locate such distributee have been exhausted, the allocable share for such distributee shall be distributed in a manner as Ordered by the Court.

(C) **PROBATE SPECIAL COUNSEL AND PROBATE SPECIAL MASTER:** The Probate Special Counsel and Probate Special Master have been appointed by the Probate Court of the First Circuit, State of Hawaii (hereinafter the "Probate Court"). The Probate Special Counsel shall initiate a Trust Proceeding in the Probate Court and shall file petition(s) seeking an order or orders of said Probate Court instructing the Trustee to make the disbursements outlined herein above at Article 1-5.1(B)(1) through (5). In seeking such instructions, the Probate Special Counsel shall set forth the name(s) and address(es) of the proposed distributee(s), cause notice to be provided to parties interested in the subject share allocated to the deceased Class Member, and set forth the basis for the calculation of any distribution to any distributee, as well as any additional relief that may be appropriate under the circumstances. The Probate Special Master shall report and make recommendations to the Probate Court regarding the petition(s) of the Probate Special Counsel. The Trustee shall make disbursements as outlined hereinabove at Article 1-5.1(B)(1) through (5) only pursuant to the order(s) of the Probate Court.

1-5.3 TERMINATION: Once the Trustee has obtained necessary court orders, as appropriate and in the sole discretion of the Trustee, resolving all interests of all parties claiming an interest in the Trust, the Trustee shall have the authority to wind down and terminate the Trust without further court approval.

PART TWO: TRUSTEESHIP

ARTICLE 2-1: RESIGNATION

The Probate Court of the First Circuit, State of Hawaii, shall approve any resignation of any Trustee, and the resignation shall become effective as the Probate Court of the First Circuit, State of Hawaii shall order.

The resigning Trustee shall transfer and deliver to the successor Trustee all of the Trust estate and shall thereupon be discharged as Trustee hereunder.

ARTICLE 2-2: REMOVAL

The Probate Court of the First Circuit, State of Hawaii, shall have the right to remove any Trustee. Any Trustee may be removed by the Court for reasonable cause upon application by any interested party.

ARTICLE 2-3: LIABILITY OF TRUSTEES

No Trustee shall be responsible or liable for the manner in which any discretion is exercised pursuant thereto, or for any misinterpretation of this Agreement, or, unless the Trustee's own conduct amounts to fraud or willful misconduct, for any act or omission of its, his or her own. The successor Trustee shall be responsible only for its, his or her acts or omissions in bad faith and shall in no event be responsible for any action in which the successor Trustee shall not be pecuniarily interested and which shall be taken upon the advice of competent legal, accounting or other counsel concerning the construction or interpretation of this instrument or the administration of the trust estate. The Trustee shall retain such competent legal, accounting, investment or other counsel at the expense of the trust estate, as the Trustee shall deem necessary or desirable in the best interest of the trust estate.

2-6.14 TAKE LEGAL ACTION: To prosecute or defend judicial and administrative proceedings for the protection of the trust estate, or of the Trustee in the performance of the Trustee's duties;

2-6.15 DETERMINE ACCOUNTING PRACTICES: To determine all matters of trust accounting in accordance with generally accepted principles of trust accounting as established by controlling law or customary practices, provided, that:

(A) Dividends, interest, rents and other similar payments received in cash by the Trustee shall normally be dealt with as income, whether ordinary or extraordinary and whether or not in the nature of liquidating dividends or payments or dividends or payments on mining, oil, timber or other stocks or assets of a wasting nature, or a return of capital, or a distribution of realized capital gains, or a distribution from depletion reserves (and irrespective of any statement the corporation, association or person declaring such dividends or making such payments may make with reference thereto) and irrespective of the character of the assets or account out of which they are paid or the time when they shall have accrued or accumulated or shall have been earned, declared or payable or the time for the determination of the persons entitled thereto, but the Trustee shall have full power and authority in the absolute discretion of the Trustee, to allocate to principal the whole or any part of any dividend or payment which in the Trustee's opinion is extraordinary, in the nature of a liquidating dividend or payment, a wasting asset dividend or payment, a return of capital, a distribution of realized capital gains, or a distribution from depletion reserves. All determinations with respect to the allocation of such dividends or payments in whole or in part to principal, made in good faith by the Trustee, shall be final and binding on all persons interested in the Trust estate.

(B) Dividends paid in, and rights to subscribe to, property other than cash, including securities, whether or not of the same corporation, and shares of stock received as the result of any stock split, shall normally be dealt with as principal, but the Trustee shall have full power and authority, in the Trustee's absolute discretion, to allocate the whole or any part of any such dividend, right or shares of stock received as the result of such stock split to income if in the Trustee's opinion such dividend, right, or shares of stock should be considered as a distribution of current earnings by the corporation declaring or issuing the same. The Trustee shall also determine the amount of depreciation, cost recovery, and depletion chargeable against the tangible assets of the trust estate during each year, in accordance with accounting principles, methods and formulas determined by the Trustee to be generally accepted and applicable, and shall charge

against income and credit to principal the sum so determined; provided that the Trustee shall not be required to charge depreciation, cost recovery, or depletion with respect to any improvement constructed on trust property by a lessee. All determinations with respect to amortization, depreciation, cost recovery, and depletion made in good faith by the Trustee shall be final and binding on all persons interested in the Trust estate; and

(D) The proceeds from the sale, redemption or other disposition, whether at a profit or loss, of any property constituting principal, including mortgages and real estate, no matter how acquired, shall normally be dealt with as principal, even if the property shall have produced no income, but the Trustee shall have full power and authority, in the absolute discretion of the Trustee, to allocate the whole or any part of any such proceeds to income if the property disposed of produced no income or in the Trustee's opinion substantially less than the current rate of return on trust investments. All determinations with respect to the allocation of such proceeds in whole or in part to income, made in good faith by the Trustee, shall be final and binding on all persons interested in the Trust estate.
